

SELF-CERTIFICATION OF INDUSTRIAL/COMMERCIAL BUSINESSES FOR STORMWATER REGULATIONS

Industrial and commercial facilities with activities outlined in Part VIII.E of Regional Phase I Municipal Separate Storm Sewer System (MS4) Permit, [Order R4-2021-0105](#), may be subject to periodic inspections by the County of Ventura to ensure compliance with stormwater regulations. Additionally, industrial facilities are required to obtain coverage under the National Pollutant Discharge Elimination System (NPDES) Industrial General Permit (IGP), [Order 2014-0057-DWQ](#).

For additional information on the MS4 Permit, the County Stormwater Program can be contacted at PWA.CountyStormwater@ventura.org. More information on the Industrial Stormwater Program and the NPDES Permit application is available on the [State Water Resources Control Board Website](#).

Please indicate if any of the following apply to your business:

- ☐ IGP: Stormwater Discharges Associated with Industrial Activities
 - [Facilities Covered by the IGP](#); and/or
 - [IGP-Regulated Standard Industrial Classification \(SIC\) Codes](#)
[Numeric Order](#) / [Alphabetical Order](#)
- ☐ Restaurants
- ☐ Automotive Service Facilities
- ☐ Retail Gasoline Outlets
- ☐ Nurseries and Nursery Centers
- ☐ None of the above; my business does not meet any of the descriptions above.

As a business owner, I certify that the provided business information is correct and accurate.
